Lisa L. Wilson, Principal

Welcome to Milroy Elementary School!

All of the staff at Milroy Elementary are committed to providing your child with the best possible education. Our students will have a rich academic experience, which is based on Indiana Academic Standards.

The support of parents is imperative in making Milroy an outstanding school. You will have numerous chances to get involved in the school community. I hope you'll consider being a part of the Parent/Teacher Organization and the many volunteer opportunities offered. We have an awesome PTO!

Throughout the school year, you will be kept informed of our events via our school newsletter, emails, phone calls, and social media. You will be kept up-to-date of your child's progress and growth throughout the year as well.

I welcome questions, concerns, and suggestions from all of our stakeholders. Together, we can make your child's experience at Milroy Elementary extremely rewarding!

Sincerely,

Mrs. Lisa Wilson
