Car riders will be dropped by the back door on the North West side of the building. Cars will enter the North entry lane and proceed to the rear parking lot following curbs in a circular pattern dropping students off at the North West side door, then continuing on the perimeter of the parking lot and out the North exit lane. Students will not be permitted to enter the building before 8:00 a.m. due to supervision. Parents wishing to enter the building with their student at the beginning of the day, must park in the front, East lot and enter the building through the front doors.

Students are expected to know and follow bus rules. Buses will enter the North entry lane, park in front of the building and exit using the South exit lane after being loaded or unloaded. All bus students will enter the building through the front doors.

Students in **grades 3-6** – may ride bicycles to school. They must obey all traffic laws. They must not ride on the highway. Students riding bikes must use the sidewalk along the South bus exit lane. Bike racks will be provided in the front of the building for bikes to be stored during the day.

Students are not permitted to leave school ground during the day. All students eat lunch at school. Parents must enter the building to sign their child out at the office if that student is leaving the grounds.

Students who stay after school to attend a club meeting or ballgame should go directly to the meeting room or gym and remain there until the activity is over. Students should have a permission note from their parents to stay.

Students planning to go home with another student should have written permissions from both homes.

If it is necessary to leave school for a doctor or other appointment, arrangements should be made in advance with the school. It is best to schedule appointments after school

Student Behavior Expectations

At Arlington Elementary School efforts are initiated by our staff to encourage positive behaviors. These positive behaviors are:

Actions= Treat others the way you want to be treated.

Effort= Doing your personal best.

Safety= Make safe choices for self and others.

Student's positive choices are recognized through a Terrific Ticket system relating to our Character Education program. These positive behaviors are expectations in the cafeteria, hallway, classroom, restrooms and recess.

Office-Telephones

Students should come to the office only if they have business there. Other students need not accompany their friends. Permission from the teacher must always be obtained.

The telephone should be used only in emergencies and with approval of the teacher and office staff. Long-distance calls should be made collect. Classroom telephones are for adult use only. Incoming calls will be transferred to voicemail during class times. Students are allowed to have cell phones for after school use. However, they must remain turned off and in book bags during the school day and on the bus. Failure to comply with cell phone policies will result in the phone being confiscated and the parent being required to come to school to pick up the phone.

Cafeteria Both lunch and breakfast are served daily in the cafeteria. Breakfast is served from 8:00 a.m. until 8:20 a.m. at a cost of \$1.35 for regular prices and \$.30 for reduced prices.
