

Harmony Family Access - Creating a New Account

Please do not create a new account this year if you previously created an account. If you have forgotten your password, as long as you have your username and email address that you used to create the account, there is a "forgot my password" link that will send a password to the email address. If you do not remember the username or email address that you used, please contact the school for assistance.

1. Go to the Harmony Family Access website at <https://harmony.rushville.k12.in.us/familyaccess.nsf/hello.xsp>
2. Click on the blue link at the bottom of the sign in page that says **Create an account here**.

3. Create an account by entering your **First name**, **Last name**, and **Email**.
